ALMA MATER

Faithful and true hearted, let us cheer our dear Old High.
We revere her and defend her, as her colors proudly fly.
We will stand for her, united: of her deeds we gladly tell -
Her colors streaming, glad faces beaming,
So here's a cheer for her that we all love so well.

Honors she has taken, in the track and with the ball.
May she always rank the highest; may her colors never fall!
There's no other that can match her, when her team is on
the field.
Her boys, the fleetest; her girls, the sweetest.
Then here's a cheer for her--for her who ne'er will yield.

(Refrain)

Joyous and ever loyal, let us cheer for our Old High.
Let every heart sing; let every voice ring. There's no time
to grieve or sigh.
It's ever onward, our course pursuing; may defeat ne'er our
ardor cool.
But, united, we will boost for her--our Old High School.

CLASS HISTORY

CLASS MOTTO: The higher we rise the broader the view.

CLASS COLORS: Blue and Gold CLASS FLOWER: Yellow Rose

September 1, 1944 was the first day of school for 38 pupils at Belleville and 11 at Allensville. We were met at the door by Mrs. Renno and Mrs. Young, respectively. For the next eight years we gained knowledge with the help of Miss Hooley, Mrs. Cunningham, Mrs. Warner, Mrs. Baker, Miss Bennett, Mrs. Laub, Miss McNabb, Mr. Treaster, Mr. Bassler, and Mrs. Huey.

In seventh grade we had our first experience as salesmen when we sold Ready-Jell. The following year in eighth grade we furthered this experience by selling magazines to finance our trip to Hershey.

Finally the day came when we entered high school as freshmen. By this time there were only 40 to be initiated by the seniors. For our class officers that year we elected: President, Joe Stewart; Vice President, Bob Lyter; Secretary, Toby Deeg; Treasurer, Bob Allison.

In our sophomore year the following officers were elected: President, Joe Stewart; Vice President, Bob Lyter; Secretary, Carolyn Boring; Treasurer, Sally Miller. We selected our class colors, Blue and Gold, and purchased our class hats. We again sold Ready-Jell to increase the funds in our class treasury.

We entered high school the next year as juniors. The class officers for that memorable year were: President, Bob Yocum; Vice President, Doreen Allison; Secretary, Carolyn Boring; Treasurer, Sally Miller. The purchasing of class rings and the sponsoring of the Junior-Senior Prom were the two big events of the year. We again showed our salesmanship by selling Easter candy and Prom Peanuts.

Then in the fall of 1956 we entered Menno-Union High School for our final year. We elected these officers: President, Bob Allison; Vice President, Bob Lyter; Secretary, Carolyn Boring; Treasurers, Sally Miller and Doreen Allison. We began working on one of our main projects, publishing our Kishaco-Quill, by electing our editor-in-chief and staff and selecting our yearbook cover. We sold Christmas candy and held a number of bake sales and square dances to help finance our trip to Washington. We also produced a class play entitled, "Betty's Millionaire." Now, as the last class to graduate from Menno-Union High School, with all school activities behind us and our final three projects, Commencement, Class Night, Baccalaureate, almost finished, we look forward to our first class reunion in 1967.

CLASS PROPHECY

May 31, 1967

As I settled down for a long bus ride to my job at Neiner's Insurance Agency, I picked up the morning edition of "The Belleville Daily Times." I was surprised to see that a number of the members of the Class of '57 had made news in some form or other on this particular morning.

The headlines announced that the Navy had promoted "Chety" Stewart to Rear Admiral. I wasn't surprised since our fellows were really making names for themselves in the armed forces: Bob Treaster, in the Marines; Jim Knepp and "Face" Allison, in the Navy; Ron Stuck and Jesse Young in the Air Force.

In the Hollywood column, Louella Parsons gave a full report on the marriage of Tab Hudson, the current national heart throb. Tab is better remembered to us as "Shobe" Kauffman. Louella also mentioned that "Ace" Conner had been picked as leading man for a new M. G. M. spectacular. In the Broadway News, the latest musical in which "Liz" Harris starred was a smash hit.

Under local happenings, I saw that "Hair" Lyter, now a rich tycoon in Texas, was visiting friends in Belleville. That brought to mind another rich member of the class - Bob Yocum - who is a millionaire. The local happenings also mentioned another visitor - Doreen Allison - who holds a big job in New York City. Her good friend, Mary Ellen Hazlett, had recently been made head nurse at a big city hospital.

In the sports section, there was a big write-up on Don Esh who had just turned a pro basketball player and was breaking all scoring records.

There was an article under the farm news which stated that our only farmer, Paul Byler, had perfected a new variety of wheat. Paul lives next to the country home of Big Jim Stuter who is still a bachelor.

I noticed that there was a nice write-up in the school news about Carolyn Boring and Betty Patton. They are doing wonders with the first and second graders in the new elementary school.

There was an item about the regular meeting of the local bridge club in the society section. It was held at the home of Mrs. James Fultz who, of course, is the former Sandra Stuck.

In the corner of one page, I found a progress report of the new Municipal Building of Belleville. The electrical wiring is in charge of "Bone" Harmon. "Bone" is an electrical engineer of great renown.

As I folded the paper, my eye caught a catchy ad for KaVee. "Rose" and "Clem" Lightner are the new co-distributors of KaVee products. Right across the page was another ad for Little Jim Stuter's new garage. He specializes in repairing diesel motors.

Just at that moment, the bus stopped at my street corner and I got out with the feeling that I had just had a reunion with the Class of '57.
